

# Summer school for advanced studies on biometrics: Forensics, Security and Identification from a Distance

June 7 - 11 2010

9:00 - 9:30		9:30 - 11:00	Coffe break	11:30 - 13:00	Lunch break	15:00 - 16:30	Coffe break	17:00 - 18:30	19:00
<b>Monday June 7</b>	<b>Massimo Tistarelli</b> (University of Sassari) Opening	<b>Arun Ross</b> (West Virginia University, USA) An Introduction to multibiometrics with applications in forensics		<b>Farzin Deravi</b> (University of Kent, UK) Biometric standardization	<b>13:00 - 15:00</b>	<b>Alessandro Verri</b> (University of Genova, Italy) Classifiers and learning theory		<b>Massimo Tistarelli</b> (University of Sassari, Italy) Face recognition technology	<i>Welcome cocktail</i>
9:00 - 10:30		Coffe break	11:00 - 12:30	Lunch break	15:00 - 16:30	Coffe break	17:00 - 18:30	18:30 - 19:30	
<b>Tuesday June 8</b>	<b>Jonathon Phillips</b> (NIST USA) From the Wild West to the Edge of Science: Progress in Face Recognition and Visual Biometrics			<b>Tieniu Tan</b> (Chinese Academy of Science, China) Iris recognition	<b>12:30 - 15:00</b>	<b>David Ackermann</b> (Sarnoff research, USA) Visual identification from a distance by iris		<b>Josef Kittler</b> (University of Surrey UK) Multiple classifier fusion in biometrics	<i>Student presentations</i>
9:00 - 10:30		Coffe break	11:00 - 12:30	Lunch break	14:30 - 17:00	Coffe break	17:30 - 18:30	18:30 - 19:30	
<b>Wednesday June 9</b>	<b>Davide Maltoni Raffaele Cappelli</b> (University of Bologna) Fingerprint recognition			<b>Mark Nixon</b> (University of Southampton, UK) Gait and ear recognition	<b>12:30 - 14:30</b>	<b>John Mason</b> (University of Swansea, UK) Speaker recognition  <b>Andrzej Drygajlo</b> (EPFL Lausanne, Switzerland) Biometrics and forensics		<b>Vincent Bouatou</b> (Sagem, France) Large scale biometric systems	<i>Visit to Alghero and Gala dinner (20:00)</i>
				Lunch break	15:00 - 16:30	Coffe break	17:00 - 18:00	18:30	
<b>Thursday June 10</b>	Boat trip on Capo Caccia bay or other leisure activities				<b>13:00 - 15:00</b>	<b>Didier Meuwly</b> (Netherlands Forensic Institute, Netherlands) Biometrics in forensic practice		<b>Emilio Mordini</b> (CSSC Roma, Italy) Bioethics in biometrics	<i>Student presentations</i>
9:00 - 10:30		Coffe break	11:00 - 12:30	Lunch break	15:00 - 16:30	Coffe break	16:30 - 17:00		
<b>Friday June 11</b>	<b>Josef Bigun</b> (Halmstad University, Sweden) From images to features			<b>Alice O'Toole</b> (University of Texas, USA) Biological recognition of human faces	<b>12:30 - 15:00</b>	<b>Ben Schouten</b> (Fontys University, Netherlands) Biometric systems and human computer interaction		<b>Massimo Tistarelli</b> (University of Sassari, Italy) Concluding remarks
